

The Playbarn is an ideal venue for any group visit.

An undercover area can be reserved for groups to sit and have lunch together. Picnic lunches may be brought in or if you prefer we can arrange meal boxes for the children from £4 per child. Snacks and light lunches are available from 11.30 am - 2pm daily and hot and cold drinks are served throughout the day.

If preferred the following areas are available for picnics,
(weather permitting)

The puzzle paddock is an ideal, secure area to allow the children to run around and let off steam, explore the maze, ride tractors, play the many puzzles and games.

Wooded Picnic Area provides shelter from the sun on hot days. The children can play on the tractor, negotiate the activity walk or ride the 'barking diggers'.

Patio Picnic Area overlooking the farm but a safe place for a picnic.

All children must be accompanied when visiting the children's farm. We run a very strict hand washing code, All children and adults **must** stamp their hands with our playbarn 'bug' before visiting the farm, washing away the bugs when leaving!

Risk assessments are available and pre-booking visits are strongly recommended, please phone to arrange an appointment if required.

We are a CEVAS accredited farm.

We can also offer a visit from Father Christmas in December for groups wanting a Christmas visit! - Please ask for details
