ABOUT US

The Playbarn Riding Centre can offer lessons and hacks for both novice and experienced children and adults.

We specialise in teaching children the essentials of riding and pony knowledge through following the ABRIS test structure with lessons, hacks and stable management sessions depending on the weather.

A Pony Day is great fun for pony mad youngsters.

Come and join The Pony Club and learn all about ponies and work towards badges.

Have a go on the simulator– a great alternative to a lunge lesson.

Please see our other leaflets for details on The Pony Club, Pony Parties and Steady Eddie.
